

# SOMEBODY LOVES YOU

## Developing Spiritual Growth

The desire of "Somebody Loves You" is to teach and train Christians through the Word of God.

### LESSON #9 - THE PERSON AND WORK OF JESUS CHRIST

If you take the name of Buddha from Buddhism and remove the personal revealer entirely from his system; and take away the personality of Mohammed from the Muslim religion, or the personality of Zoroaster from the religion of the Parsees, the entire doctrine of these religions would be left intact. Their practical value, such as it is, would not be imperiled or lessened. But take away from Christianity the name and person of Jesus Christ and what is left, nothing. The whole substance and strength of the Christian faith centers on Jesus Christ. Without Him, there is absolutely nothing.
